Megumi groaned under Art's body. This felt way to good to stop now.

"Art..." She breathed out

"Shhh...don't talk"

He continued his ministrations and earned a louder moan from his lover.

He brought his lips up to hers and silenced her with a kiss. She moaned into the his and brought him closer to her body. She let out a moan as his lips closed around a nipple. He nibbled on it and sucked and gave the other nipple a squeeze.

"Art...ah..."

He removed his lips and lifted her legs around his naked torso.

"Art...please"

"Hm? What was that?"

"Please. I need you know..."

"Alright then"

He pushed himself inside her and she moaned. He went in slow and then his pace got faster. And harder.

"Ah! Art...Mhmm...Ack!" She screamed

"Your so tight.." He groaned as he pushed inside her even deeper.

He went faster and hoisted her up into his lap. She cluched onto him dearly and yelled out as he thrusted inside her even more roughly now.

"Ah...Art...Faster..."

His thrusts werr even more faster and she was so close.

"God, ...Im...coming..." He groaned and thrusts into her one last time with a thud.

"AHHH!" She screamed as his seeds spill inside her.

They lay in bed in each others bed.

"I missed you so much Art"

"I missed you too Megumi"

He kissed her and she fell asleep in his chest

"Hey guys!"

Megumi walked into Cafe Nowhere.

"Hey look. Its Megumi-chan~"

Koneko smirked.

Everyone else besides Master snickered

"Hey, why are you guys laughing? What did I do?"

"Dont act so innocent Megu-chan"

Birthday winked.

"Stop teasing her!" Ratio scolded

Art walked in and linked his arm around her.

"Hey guys"

"Art's here!"

Koneko smiled

"Detective Art! Who knew he was into that stuff"

Birthday laughed

"Nice done pal" Art patted his shoulder

"Wha? Whats going on?"

"Oh, dont act like nothing happened!"

Honey grinned

Megumi blushed. Did they?

"What? You guys are confusing me!" Art rubbed his temple

Master gave both of them coffee.

"Congrades guys! You made through 3rd base!"
